

## **Returns:**

**Please enclose the "Declaration of Decontamination" with the returns.**

Our aim is to offer you the shortest possible lead times with professional and secure processing.

Due to legal regulations, MIB GmbH is obliged to treat all incoming goods of products in contact with the medium accordingly. Upon receipt of the return shipment, we require certain information from the "Decontamination Declaration".

Please understand that we can only begin with the inspection or repair after we have received the fully completed declaration.

If the "Decontamination Declaration" contains all the necessary information, please attach it to the outside of the packaging so that it is clearly visible. Please ensure that all consignments are well packed to ensure adequate protection during transport.

We thank you for your active support in protecting our employees and the environment by adhering to the described procedure. We firmly believe that this will help us keep our facilities in good condition and maintain our high standards.

**Declaration of Decontamination**

In order to comply with legal regulations and for the protection of our employees and operating facilities, we require a signed „Declaration of Decontamination”
